Groupings Update..... 1

CCS Service Code Groupings (SCG) Update

Effective for dates of service on or after July 1, 2006, a number of codes are added to the California Children's Services (CCS) Service Code Grouping (SCG) 06. The effective date for these codes is designated by the symbol “^”.

Codes 99222 and 99223 were previously added to SCG 06 in error, and are end-dated for dates of service on or after July 1, 2006.

Reminder: SCG 02 includes all the codes in SCG 01; SCG 03 includes all the codes in SCG 01 and SCG 02; and SCG 07 includes all the codes in SCG 01. These same “rules” apply to end-dated codes.

The updated information is reflected on manual replacement page cal child ser 17 (Part 2).
